

YMCA Whittlesea Before and After Care Program 2020

Welcome to YMCA Whittlesea's before and after care program. YMCA Whittlesea has been delivering children's services and programs within the City Of Whittlesea for the last 30 years. Our philosophy is "We believe in the power of inspired young people". YMCA Whittlesea is an accredited safeguarding organisation working in conjunction with The Australian Childhood foundation keeping your children safe.

OUR PROGRAM

We recognise the importance of middle childhood as being a stage of growth and development. As such our educators will endeavour to provide an environment that will challenge, stimulate and support each child on an individual level. Our indoor/outdoor spaces will promote and challenge children's curiosity, support sustainable practices and respect for our natural environment through an ongoing process of learning together

2020 FEES

	Full fee (before CCS is applied)
Before Care	\$23.00
After Care	\$27.00
